

The Board of Trustees approved a common set of “Collective Commitments” that all staff will adhere to as we educate the students of the Oroville community. Those commitments are as follows:

- Every OUHSD staff member will work together to ensure high levels of learning at every school, every day and during every period.
- OUHSD teachers will deliver quality, research-based instruction with opening lesson activities, student engagement activities, formative assessment, bell to bell instruction and frequent feedback to students and parents on progress.
- Essential Learning Standards will be posted in all classrooms for all to see.
- Technology will be used as an integral part of the instructional process.
- Since quality instruction in the classroom is a priority, the number of days teachers will be out of their classrooms for school business will be limited.
- Administration will be visible in classrooms on a regular basis.
- OUHSD will recognize and promote the positive things students and staff are doing.
- OUHSD schools will be safe and nurturing environments for all students as well as welcoming, service-oriented places for parents and community members.
- OUHSD schools will prepare students to be critical thinkers in the 21st century.
- OUHSD schools will provide high quality educational experiences for all students.
- OUHSD schools will provide social-emotional supports for all students as appropriate.

The priority of the Oroville Union High School District Board of Trustees is to provide the Oroville community with high performing high schools.
